Constitutional Amendments.

On the 7th day of August, the people of North Carolina will be called on to vote on the Constitutional Amendments, and that the readers of the POST may be the better posted, we give the texts of those portions of the constitution which it is proposed to amend, and also the texts of the proposed amendments.

These amendments are eight in number, and are to be submitted separately for ratification or rejection. Any qualified voter may vote for or against each and any amendment, the vote being either a printed or written ticket, with but two words thereon—"For Amendment" or "Against Amendment." A part or the whole of them may be either ratified or rejected, as a majority of the popular vote may be cast, either for or against them.

FIRST: IN RELATION TO THE PUBLIC DEBT.

Article 1 of the present constitution, provides:

Sec. 6. To maintain the honor and good faith of the State untarnished, the public debt, regularly contracted before and since the rebellion, shall be regarded as inviolable and never be questioned; but the State shall never assume or pay, or authorize the collection of any debt or obligation, express or implied, incurred in aid of insurrection or rebellion against the United States, or any claim for the loss or emancipation of any slave.

Which is amended by striking out all down to the word "but," so that the article will then be:

Sec. 6. The State shall never assume or pay, or authorize the collection of, any debt or obligation, express or implied, incurred in aid of insurrection or rebellion against the United States, or any claim for the loss or emancipation of any slave.

In the same amendment another alteration is provided for by striking out Section 4, Article 5:

Sec. 4. The General Assembly shall, by appropriate legislation and by adequate taxation, provide for the prompt and regular payment of the interest on the public debt, and after the year 1880 it shall lay a specific annual tax upon the real and personal property of the State, and the sum thus realized shall be set apart as a sinking fund, to be devoted to the payment of the public debt.

By the striking out of this section entire, it is not made compulsory on the Legislature to provide for the principal and interest of the public debt.

SECOND: IN RELATION TO THE OFFICE OF SUPERINTENDENT OF PUBIC WORKS.

Sec. 1 of Art. 3 of the Constitution provides for a Superintendent of Public Works, to be elected as are the members of the General Assembly, for a four years' term.

It is proposed by this amendment to strike out the words "Superintendent of Public Works" wherever they occur, thereby abolishing that office.

THIRD: IN RELATION TO THE STATE CENSUS.

Sec. 5, Art. 2 of the Constitution provides:

"Sec. 5. An enumeration of the inhabitants of the State shall be taken under the direction of the General Assembly in the year one thousand eight hundred and seventy-five, and at the end of every ten years thereafter; and the said Senate Districts shall be so altered by the General Assembly, after the first session after the return of every enumeration taken as aforesaid, or by order of Congress, that each Senate District shall contain, as nearly as may be, an equal number of inhabitants, excluding aliens and Indians not taxed, and shall remain undaltered until the return of another enumeration, and shall at all times consist of contiguous territory; and no county shall be divided in the formation of a Senate District, unless such county shall be equitably entitled to two or more Senators."

FOURTH: IN RELATION TO EXEMPTION FROM TAXATION.

Sec. 6, Art. 5 of the Constitution provides:

"Sec. 6. Property belonging to the State or to municipal corporations, shall be exempt from taxation. The General Assembly may exempt cemeteries, and property held for educational, scientific, literary, charitable or religious purposes; also wearing apparel, arms for muster, household and kitchen furniture, the mechanical and agricultural implements for mechanics and farmers, libraries and scientific instruments, to a value not exceeding three hundred dollars."

It is proposed to amend this section by inserting the words "or any other personal property," after the word "instruments," so that it will then read:

"Sec. 6. Property belonging to the State, or to municipal corporations shall be exempt from taxation. The General Assembly may exempt cemeteries, and property held for educational, scientific, literary, charitable or religious purposes; also wearing apparel, arms for muster, household and kitchen furniture, the mechanical and agricultural implements of mechanics and farmers, libraries and scientific instruments or any other personal property, to a value not exceeding three hundred dollars."

FOURTH: IN RELATION TO THE UNIVERSITY.

Sec. 5, article 9 of the Constitution reads:

"Sec. 5. The University of North Carolina, with its lands, emoluments and franchises, is under the control of the State, and shall be held to an inseparable connection with the free public school system of the State."

It is proposed to strike out this entire section and insert the following:

"Sec. 5. The General Assembly shall have power to provide for the election of trustees of the University of North Carolina, in whom when chosen shall be vested all the privileges, rights, franchises and endowments heretofore in anywise granted to or conferred upon the trustees of said University; and the General Assembly may make such provisions, laws and regulations, from time to time as may be necessary and expedient for the maintenance and management of said University."

This article is proposed to be further amended by striking out sections 13, 14 and 15, which relate to the appointment of trustees by the Board of Education and the powers and duties of the same, which matters would, were the amendment adopted, devolve on the General Assembly.

SIXTH: IN RELATION TO THE SESSIONS OF THE GENERAL ASSEMBLY.

The present Constitution, Article 11, Legislative Department, provides as follows:

"Sec. 2. The Senate and House of Representatives shall meet annually on the third Monday in November, and when assembled shall be denominated the General Assembly."

It is proposed to amend this section by striking out the word "annually" and insert the word "biennially," making it to read thus:

"Sec. 2. The Senate and House of Representatives shall meet biennially on the third Monday in November, and when assembled shall be denominated the General Assembly."

This amendment also strikes out the word "annually" in section 6, article 3, and inserts the word "biennially," in reference to the requirement of the Governor to communicate to the General Assembly each case of reprieve, commutation or pardon.

SEVENTH: IN RELATION TO THE CODE COMMISSION.

Sec. 2 and 3, article 4, Judicial Department provides:

"Sec. 2. Three Commissioners shall be appointed by this Convention to report to the General Assembly at its first session after this Constitution shall be adopted by the people, rules of practice and procedure in accordance with the provisions of the foregoing section, and the Convention shall provide for the Commissioners a reasonable compensation.

Sec. 3. The same Commissioners shall also report to the General Assembly as soon as practicable, a code of law of North Carolina. The Governor shall have power to fill all vacancies occurring in this commission.

The amendment proposes to strike out both these sections, thereby abolishing the code commission.

EIGHTH: IN RELATION TO FEDERAL AND OTHER OFFICE HOLDERS.

The present Constitution, sec. 7, art. 14, provides:

"Sec. 7. No person shall hold more than one lucrative office under the State at the same time: *Provided*, That officers in the militia, justices of the peace, commissioners of public charities and commissioners appointed for special purposes, shall not be considered officers within the meaning of this section."

The amendment proposes that this section shall read as follows:

"Sec. 7. No person who shall hold any office or place of trust or profit under the United States, or any department thereof, or under this State of any other State or government, shall hold or exercise any other office or place of trust or profit, under the authority of this State, or be eligible to a seat in either House of the General Assembly: *Provided*, that nothing herein contained shall extend to officers in the militia, justices of the peace, commissioners of public charities or commissioners for special purposes."

Most of the arrests made in Duluth on the Fourth of July were for not complying with the ordinance that requires ashes to be sprinkled on icy sidewalks before 10 o'clock A. M.

A PETITION to the Mayor and Board of Aldermen requesting that the market carts should not be removed from their present stopping place on Market street south side, between Front and Second is going the rounds, and is being very numerously signed by the merchants of Market street.

THE only chance of getting a suit of clothing, shoes, shirts, &c., at New York cost, is to go to

THE POST, in behalf of the community, thanks the proprietors of the street railway for having so promptly responded to the suggestion it has heretofore made, to increase the number of passenger cars on its line. The people have long felt the want of better facilities for transportation, both for business and pleasure, and the POST, ever mindful of the wants of the masses, asked for more cars, and the management of the rail road, with a commendable spirit of accommodation, have promptly placed our new cars on the line, which run with great regularity, and at very short intervals. These cars are of the most modern construction, not so large and heavy as the old, dirty cars, (that will have to be withdrawn at no distant day,) but light, airy and pleasant, and always seem to be well filled with passengers.

THE cheapest stock of dry goods to be found this side of New York is at

S. HANSTEIN & Co's.

A SPLENDID NUMBER.—The publishers of the *Southern Musical Journal* are now their own printers, and in the July number, just at hand, give us a fine specimen of typography, which we take pleasure in noticing. In its editorial, literary, and musical departments, the Journal is fully the equal of any similar publication in the United States, and in its elegant new dress (with new type, borders, headings and cuts throughout,) and faultless typography, we pronounce it also the handsomest. Its publishers are indefatigable in their efforts to give the South a first class musical magazine, and have achieved a real success. It has subscribers in every Southern and many Northern States, and its monthly arrival is welcomed by thousands of delighted readers. As a means of extending its circulation, the publishers now offer all new subscribers a premium (sheet music "of their own selection,) valued at fifty cents. Subscription price $1.00 per year. Speciment copies, containing $1.00 worth of music, free Any address. Ludden & Bates, Publishers, Savannah, Ga.

THE POST, in behalf of the community, thanks the proprietors of the street railway for having so promptly responded to the suggestion it has heretofore made, to increase the number of passenger cars on its line. The people have long felt the want of better facilities for transportation, both for business and pleasure, and the POST, ever mindful of the wants of the masses, asked for more cars, and the management of the rail road, with a commendable spirit of accommodation, have promptly placed four new cars on the line, which run with great regularity, and at very short intervals. These cars are of the most modern construction, not so large and heavy as the old, dirty cars, (that will have to be withdrawn at no distant day,) but light, airy and pleasant, and always seem to be well filled with passengers.

A SPLENDID NUMBER.—The publishers of the *Southern Musical Journal* are now their own printers, and in the July number, just at hand, give us a fine specimen of typography, which we take pleasure in noticing. In its editorial, literary, and musical departments, the Journal is fully the equal of any similar publication in the United States, and in its elegant new dress (with new type, borders, headings and cuts throughout,) and faultless typography, we pronounce it also the handsomest. Its publishers are indefatigable in their efforts to give the South a first class musical magazine, and have achieved a real success. It has subscribers in every Southern and Northern States, and its monthly visits are welcomed by thousands of delighted readers. As a means of extending its circulation, the publishers present all new subscribers a premium piece of music "of their own selection,) worth at fifty cents. Subscription price $1.00 per year. Speciment copies, containing $1.00 worth of music, free on address. Ludden & Bates, Publishers, Savannah, Ga.

CORRESPONDENCE.

POINT CASWELL, July 15, 1873.

Awake! Republicans of Caswell Township, and come out with your full strength, to meet the opposition that is now threatened you. There is a plan on foot to defeat you as a party; to ignore your influence and power altogether. Because you have shown some fairness and liberality, and given two of their number prominent positions in your ranks, they have now set about to defeat your entire ticket, expecting the disaffected Republicans to unite with them to accomplish their dirty work. You have but one hope, and that is in Union! Division with you is defeat—stick to the nominees as made, present a solid front, and you will thwart, defeat and overthrow all their plans and schemes of division. Never expose your plans to them—remember that next year will bring about important results in your history. You cannot afford to divide now—the interest in future is too great to be lost by division; harmonize on all the men named, and put in others as quickly as possible, and make the fight that will carry the death knell to the enemy."

Singular Death.

At the colored picnic near Lebanon last week, a young man named Fred White killed a garter snake, and out of pure cussedness wound it about the neck of Mollie Woods. The young girl was terribly shocked, and suffered severely until last Friday, when, having partially recovered, she took a walk. In the course of her walk she met White, and the sight of him, reviving her memory of the loathsome necklace, threw her into convulsions. Sunday afternoon she died, White deserves to be hung, not for murder, as he doubtless only intended a little harmless fun, but for being too great a fool to be allowed to run at large.—*Indianapolis Herald, July 6.*

A distinguished member of the cabinet, in alluding to the idea of Congress repealing the back pay law, has no idea that it will be brought about, and thinks it a ludicrous suggestion, as well as the proposition to repeal the law abolishing the franking privilege.

STATE ITEMS.

PHYSICIANS report a great deal of sickness in Raleigh at present.

WATERMELONS have become as "common as dirt" in Charlotte market.

TUESDAY was pay day at the Insane Asylum in Raleigh. It averages about $1,100 per month to pay off its employes.

SAYS the Newton *Vindicator:* "Corn crop looks splendid, and so does the grass—hard to tell which is best in our fields."

THE Jefferson *Mountain Messenger* says "Good morning" has played out, and persons salute each other with "how are yon getting along with your copper mines."

THE Charlotte *Observer* regrets to learn that Mr. D. A. Wilson, a young man of Long Creek Township, was thrown from his horse on Friday, and injured in such a manner as to cause his death Saturday morning.

MRS. J. M. SHERWOOD, widow of the lamented and distinguished editor of the Fayetteville *Presbyterian*, Rev. J. M. Sherwood, is a great sufferer with cancer, and is at present in Rome, N. Y., under medical treatment.

WAKE COUNTY, according to the *Sentinel*, has listed this year for taxation, of "money on hand or on deposit, in or out of the State, only $181,625,00 while the last report of the Raleigh Banks, returns under the item of "individual deposits" the sum of $10,047,776 95.

The *Sentinel* learns from a gentleman who was present at the meeting of the stockholders of the Atlantic, Tennessee & Ohio Railroad Company, recently held at Statesville, that the discussion which took place between McAden and Johnston was of the most bitter character, crimination and recrimination, the lie, and the damned lie, passing and repassing. We understand that our cotemporaries of the press there considered the scene too disgusting to be reported.

WE learn from the *Sentinel* that Gov. Caldwell has pardoned George Smith and Eaton Mills, convicted of robbery at the Fall term of Halifax Superior court, and sentenced to three years in the penitentiary. The pardon was granted on the recommendation of the Judge, Solicitor and Dr. Hawkins, on condition that they remove their place of residence permanently from Halifax county, within ninety days from July 12, 1873. These men were associated with the notorious John H. Everett in the breaking open and robbery of box cars at Weldon about three years ago. Everett has long since been pardoned and left the State.

The *Sentinel* says that Dr. Hawkins, President of the Raleigh & Gaston Air Line Railroad, formerly "Chatham Railroad Company," has redeemed the mortgage of $2,000,000 held by the State on said company, executed in 1868, by surrendering $1,703,000 of State bonds heretofore issued to the Chatham Railroad Company, in exchange for its bonds; also $297,000 of State bonds of other classes. By this transaction the State is benefitted to the amount of $297,000 principal and $84,660 interest, as the debt is reduced such an amount. The bonds (the $2,000,000) issued by the State for which the mortgage was executed were declared by the Supreme Court unconstitutional, and therefore these bonds were not considered as valid obligations of the State, and have not entered into the State's indebtedness.

Secretary Richardson has received from Philadelphia a copy of the new trade dollar, just coined. It is about an inch in diameter, with the thirteen original stars around the face, a female figure seated on a sheaf of grain, with a sprig from a bough in the right hand and a streamer bearing the word "Liberty" in her left hand, and "1873" at the bottom of the piece. The words "United States of America" form a semicircle around the reverse side, beneath which is a scroll showing the motto "E Pluribus Unum." In the centre appears the American eagle, and beneath it, in semicircle, "420 grains, 900 fine," and at the bottom, "Trade Dollar" in bold capitals.

Prospectus for 1873.

SIXTH YEAR.

THE ALDINE,

An illustrated monthly journal, unversally admitted to be the handsomest periodical in the world. A representative and champion of American taste.

NOT FOR SALE IN BOOK OR NEWS STORES.

THE ALDINE, WHILE ISSUED WITH all the regularity, has none of the temporary or timely interest characteristic of ordinary periodicals. It is an elegant miscellany of pure, light and graceful literature, and a collection of pictures, the rarest specimens of artistic skill, in black and white. Although each succeeding number affords a fresh pleasure to its friends, the real value and beauty of THE ALDINE will be most appreciated after it has been bound up at the close of the year. While other publications may claim superior cheapness, as compared with rivals of a similar class, THE ALDINE is a unique and original conception—alone and unapproached—absolutely without competition in price or character. The possessor of a complete volume cannot duplicate the quantity of fine paper and engravings in any shape or number of volumes, for ten times its cost, and then there are the chromos besides!

ART DEPARTMENT.

Notwithstanding the increase in the price of subscription last fall, when THE ALDINE assumed its present noble proportions and representative character, the edition was more than doubled during the past year, proving that the American public appreciate, and will support, a sincere effort in the cause of Art. The publishers, anxious to justify the ready confidence thus demonstrated, have exerted themselves to the utmost to develop and improve the work; and the plans for the coming year, as unfolded by the monthly issues, will astonish and delight even the most sanguine friends of THE ALDINE.

The publishers are authorized to announce designs from many of the most eminent artists of America.

In addition THE ALDINE will reproduce examples of the best foreign masters, selected with a view to the highest artistic success and greatest general interest, avoiding such as have become familiar through photographs, or copies of any kind.

The quarterly tinted plates, for 1873, wil reproduce four of John S. Davis' inimitable child-sketches; appropriate to four seasons. These plates, appearing in the issues for January, April, July and October, would be alone worth the price of a year's subscription.

The popular feature of a copiously-illustrated "Christmas" number will be continued.

To possess such a valuable epitome of the art world, at a cost so trifling, will command the subscriptions of thousands in every section of the country, but as the usefulness and attractions of THE ALDINE can be enhanced, in proportion to the numerical increase of its supporters, the publishers propose to make "assurance doubly sure" by the following unparalleled offer of

PREMIUM CHROMOS FOR 1873:

Every subscriber to THE ALDINE, who pays in advance for the year 1873, will receive without additional charge a pair of beautiful oil chromos, after J. J. Hill, the eminent English painter. The pictures entitled "The Village Belle" and "Crossing the Moor" are 14x30 inches—are printed from 25 different plates, requiring 25 impressions and tints to perfect each picture. The same chromos are sold for $30 per pair in the art stores. As it is the determination of the conductors to keep THE ALDINE out of the reach of competition in every department, the chromos will be found correspondingly ahead of any that can be offered by other periodicals. Every subscriber will receive a certificate, over the signature of the publishers, guaranteeing that the chromos delivered shall be equal to the samples furnished the agent, or the money will be refunded. The distribution of this grade, free to the subscribers of a $5 periodical, will mark an epoch in the history of art, and considering the unprecedented cheapness of the price for THE ALDINE itself, the marvel falls little short of a miracle, even to those best acquainted with the achievements of inventive genius and improved mechanical appliances. (For illustrations of these chromos see Nov. issue of THE ALDINE.

THE LITERARY DEPARTMENT

will continue under the care of Mr. Richard Henry Stoddard, assisted by by the best writers and poets of the day, who will strive to have the literature of THE ALDINE always in keeping with its artistic attractions.

TERMS:

FIVE DOLLARS per annum, in advance, with oil-chromos free.

THE ALDINE will hereafter be obtainable only by subscription. There will be no reduced or club rate; cash for subscription must be sent to the publishers direct, or handed to the local agent, without responsibility to the publishers, except in cases where the certificate is given, bearing the fact-simile signature of Jas. Sutton & Co.

will be maintained for all new subscribers, and all old subscribers renewing prior to the 15th day of January, 1873, when the above Club rates will take effect.

THE NEW YORK WEEKLY TIMES
Will contain Selected Editorials from the Daily Times; General News, Domestic and Foreign; The Proceedings of Congress and the State Legislatures; Full and Interesting Correspondence; Book Reviews; The Choicest Literary Selections; while its most prominent feature will be a COMPLETE AGRICULTURAL DEPARTMENT, with original articles from practical farmers; full reports of the American Institute Farmers' Club; complete weekly market reports; financial, domestic produce, live stock, dry goods and general.

AS A FAMILY PAPER,
The TIMES will have no superior; it will be free from all appeals to vulgar and impure tastes, and may be safely admitted to every domestic circle.

AS A REPUBLICAN JOURNAL,
The TIMES will be devoted, as in the past, to an intelligent and firm support of the Republican Party. Its course in reference to the Tammany Ring, at a time when all the other daily papers in New York obstructed and discouraged its efforts, attests its sincerity in the cause of Reform. The TIMES stood alone in demanding Reform from 1869 to the close of 1871, and there is no sincere and honest proposal for Reform, in any branch of the Government, which will not be heartily supported by the TIMES. But it will not conspire in assisting ambitious politicians or demagogues to reach power under false pretenses. It will not encourage defection from the Republican Party, which is still the party of progress, security and national prosperity.

It will sustain, with all the force and influence at its command, the principles and policy which have rendered that party so justly famous in our history. It will advocate those measures by which the honor, the peace, and the prosperity of the nation can be best secured and promoted, and will constantly study the wants of the people rather than the wishes of the politicians.

THE NEW YORK SEMI-WEEKLY TIMES
Is published every Tuesday and Friday, and contains all the agricultural and literary matter of the Weekly edition, and a full and careful compilation of editorial and news features of the Daily.

Terms of the Semi-Weekly TIMES: One copy, one year. $3; two copies, one year, $5; ten copies, one year, $25—and one extra copy free.

Subscripttons to either of our editions received for a less length of time than one year at yearly rate.

These prices are invariable. Remit in drafts on New York or Post-office Money Orders, if possible, and where neither of these can be procured, send the money in a registered letter. All Post-masters are obliged to register letters when requested to do so, and the system is an absolute protection against losses by mail. Address

We especially call the attention to the following testimonials of the Paint:

C. P. Knight, Esq.—Dear Sir: I have used Bradley's Patent Enamel Paint on my dwelling last Spring, and am much pleased with it, and it looks as well now as when first painted, and consider it a good Paint. Yours, truly,
Creswell P. O., Hartford county, Md., Feb. 6th, 1873. A. H. STRASBAUGH.

THE PLAINS, FAUQUIER CO., VA., Feb. 6th, 1873.

Mr. C. P. Knight—Sir: The Paint came safely to hand as ordered—two kegs, five gallons each, and three buckets, one gallon each. As practice was slack, I did the job myself. Two weeks, (not constant work,) completed the house two coats. The last coat I applied thick, and it is now generally conceded that for enamel-like hardness, and body, and harmony of colors, there is not a handsomer job in the place. I saved sixty-five dollars by the operation, which is an item just now with Southern people. It should be generally adopted in this State. Any country lad can apply it. I have never dabbled in such stock as testimonials, but I feel so forcibly the great adaptability of your "Enamel Paint" to the wants of our people, in excellency of material, in beauty of color, and in the fact of its being "ready mixed" that I give you free permission, (if it is desirable to you,) to make what use you think proper of this letter.
Very respectfully and truly,
S. McGILL, M. D.

TO THE PUBLIC—It affords me much pleasure to state that in July, 1871, Front Street Theatre was painted inside and out with "Bradley's Patent Enamel Paint," for which C. P. Knight, No. 93 West Lombard Street, is agent, and, to testify to its superiority over any and all other paints for similar uses. In no private dwelling can paint possibly be subjected to the very severe test it undergoes at this establishment, where, during our daily cleaning, soap and soda are constantly applied to it, and yet it appears as sound and fresh as when put on. Of the numerous advantages it possesses over other paints, I will only mention its being mixed and ready for use in quantities to suit purchasers, its quickly drying properties, which saves much time in the execution of work were paint is needed, and its very perceptible tenacity, which imparts beauty and durability to the objects on which it is used. As such I most earnestly recommend it to the merchants and tradesmen of our city, believing it will give them greater satisfaction than they can possibly anticipate.
WM. E. SINN,
Front Street Theatre.

BALTIMORE, April 25, 1873.

CHAMBERSBURG, December 10th, 1872.

Mr. C. P. Knight—Dear Sir:—The paints we received from you have been applied to several of our own buildings and to those of our friends, and have given entire satisfaction in covering qualities, in gloss, and in adaptability to all kinds of surface of material and we cheerfully recommend it, especially to that class of consumers who have to depend upon unknown parties, or painters to mix and furnish materials, wherein we have found the most deception.
Yours, truly,
JACOB STOUFFER & SON.

FROM HON. JOHN WETHERED.

Mr. C. P. Knight:—At the recommendation of a friend, I was induced to apply your patent "Bradley's" paint to my house. I have pleasure in stating that it has proved highly satisfactory, covering more surface than you promised, is more economical, carries better gloss than ordinary paint, and is freer from disagreeable odor.
Yours, Respectfully, JOHN WETHERED.

BALTIMORE, December 27th, 1871.

C. P. Knight, Esq., Agent for Bradley's Patent Enamel Paint—Dear Sir:—The paint we purchased from you we will cheefully endorse as the best of any kind we have ever used; its covering qualities is everything desired, drying promptly and with a hard gloss which must, we think, resist the action of all kinds of weather. This is our experience, and we can recommend it with certainty, and intend to use it on all occasions where we desire a good job of work.
Very Respectfully, EMART & QUARTLEY, 270 W. Baltimore St.
House, Sign and Frescoe Painters.

PLEASANTVILLE, HARTFORD CO., MD.

Mr. C. P. Knight—Dear Sir:—I am very happy to inform you that your "Patent Enamel Paint" has given entire satisfaction. I prefer it to any paint I have ever seen used, and recommend it for durability and beauty as paramount to any other.
Very Respetfully, R. DICKEY, M. D.

"Unquestionably the best sustained work of the kind in the World."

Harper's Magazine.

NOTICES OF THE PRESS.

The ever-increasing circulation of this excellent monthly, proves its continued adaptation to popular desires and needs.—Indeed, when we think into how many homes it penetrates every month, we must consider it as one of the educators as well as entertainers of the public mind, for its vast popularity has been won by no appeal to stupid prejudices or depraved tastes.—*Boston Globe.*

The character which this Magazine possesses for variety, enterprise, artistic wealth and literary culture that has kept pace with, if it has not led the times, should cause its conductors to regard it with justifiable complacency. It also entitles them to a great claim upon the public gratitude. The Magazine has done good and not evil all the days of its life.—*Brooklyn Eagle.*
